Application for: Technology Graduate In Training membership [2021]

Notes to graduate:

Technology Graduate In Training (TGIT) membership is only available to graduates who have acquired the academic requirements for certification, to maintain contact with progress/networking in their discipline while obtaining the required (24) twenty-four months technical workplace experience, for certified status membership application. TGIT members are eligible to participate in NBSCETT individual/group insurance, affinity and consumer benefits programs. The TGIT member is entitled to receive notice of and attend meetings of the Society, to receive copies of regular Society bulletins/publications; and to assist the Society in accordance with the By-Laws/Rules of Council. TGIT Membership application fee is \$30.00 when applying immediately in the graduation year; and must be renewed annually (\$65.00/yr), for a period not exceeding three (3) calendar years.
